1. This is a public interest litigation, preferred for removal of unauthorised construction in respect of a structure at Wilson Chawl, Kajupada, Kurla (W), Bearing CTS No. 27/38, Kurla Part-2, S.No. 7,3 and 9 adm. about 400 sq.ft. The Petition itself discloses that the subjectmatter which is being agitated in the petition was also the subject matter in a Civil Suit and a relief of general nature is also sought mentioning that there are huge illegal

constructions in the City of Bombay, which has been highlighted by Media and it is mentioned that after 50th Independence Anniversary of our Democratic Country, the legal and fundamental rights of citizens can be infringed by the Political Agencies who have a legislative and executive power, and, therefore, interference of this Court is required in public interest.

2. We do not find any substance in the matter. Consequently, the petition is dismissed.
